

### 3/30 CLUB SWIMMING RULES

Successful and safe operation of the 3/30 Club pool is not the sole responsibility of the management or the lifeguards. They only help you make the use of the swimming facilities as safe and pleasurable as you wish. **PLEASE READ THESE RULES AND INSTRUCT YOUR CHILDREN.**

Only members and guests with members may use the swimming pool. A fee of \$6.00 per guest must be paid when the guest registers. Non members may use the pool five times a year. All members are responsible for their guests.

Lifeguards have full authority over swimmers and anyone inside the pool fence. They are empowered to enforce all rules and control all behavior.

**Parents have the sole responsibility for minor children. Lifeguards are not babysitters.**

There shall be absolutely no swimming unless the pool is guarded. Anyone caught doing this will be barred from the pool for the balance of the year.

No person suffering from any form of communicable disease, however mild, may enter the pool.
